\$2,354,643.73
and over
542,000
people have benefited this year

Embrace relief takes pride in the distribution of funds that we raise for our various projects. Funding the different campaigns has always come before administrative costs because our mission is to make sure that our projects are funded 100%. Our foundation is an open book and we strive to ensure transparency and clarity for the distribution of all money raised, As you thumb through our financial statement for the previous year you will see each project with a full detailed breakdown of the costs, the current status of the project and detailed information of all the people that benefited from it. As always, this information is updated on our website, www.embracerelief.org.
