

International Hunger Relief

QURBANI

Impact Report 2024

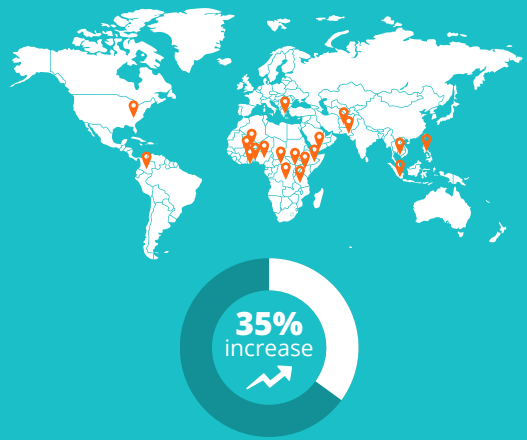

Embrace Relief is proud to announce the successful completion of our International Hunger Relief: Qurbani 2024 food distribution campaign, in which the organization and its partners delivered nutritious meat packages to **more than 165,000 people in 21 countries** worldwide.

This number represents a **35 percent increase** in impact compared to Embrace Relief's Qurbani 2023 campaign and also represents the achievement of the organization's ambitious goal of distributing food packages for 150,000 people. Embrace Relief would like to extend a heartfelt thank you to all of the donors and volunteers whose generosity has made a significant impact on the lives of so many.

Embrace Relief's Qurbani 2024 campaign operated on five continents, with communities in Africa, Asia, the United States, Greece, and Colombia all receiving critical food aid. **Each Embrace Relief Qurbani meat package contained approximately 3 kilograms of fresh, nutritious meat, enough to provide a family up to two weeks' worth of meals.** Distributing these packages was a collaborative effort between Embrace Relief and our local partner organizations in all 21 countries, allowing us to identify families and communities in need and ensuring that our aid reached them.

We distributed meat packages to **165,000+** people in **21 countries!**

Hunger continues to afflict millions around the globe, and Hunger Relief is one of the core humanitarian values of Embrace Relief. Hunger affects people in every country on the planet, and hundreds of millions of people lack adequate nutrition they need to lead a healthy life.

To address this issue, Embrace Relief is dedicated to providing food packages and hot meals to communities in need. Since 2008, more than 4 million people have benefitted from Embrace Relief's Hunger Relief campaign; **during 2024 alone, Embrace Relief's two flagship Hunger Relief campaigns centered around Ramadan and Qurbani have provided food packages to more than 230,000 people.**

WHO WE REACHED:

165,546
people
in 21
countries

Largest impact:
Africa
Embrace Relief's
meat package
distribution
reached **96,000+**
people across 12
countries

The five largest
distributions in Africa
took place in the
countries of:

- Mali
- Kenya
- Ethiopia
- Tanzania
- Uganda

where a combined
65,000+ people have
benefitted from
Qurbani meat
packages

This campaign
supported our
friends here in the
United States, with
35,000+ individuals
benefiting from
meat packages

280

ABOUT EMBRACE RELIEF

Embrace Relief is a registered 501 (c)(3) nonprofit international humanitarian relief and development organization based in Fairfield, New Jersey. The foundation collects and distributes supplies and aid to families, individuals, and institutions around the world. We support eight programs covering a wide variety of humanitarian causes: **Disaster Relief, Health, Clean Water, Hunger Relief, Refugee Relief, Women's Empowerment, Education, and Children.**

Embrace Relief's mission is to deliver research-based, sustainable solutions to achieve immediate and lasting improvements in situations of humanitarian emergency and improving the quality of life of individuals and communities enduring chronic hardships. We are committed to creating a lasting impact on the lives of individuals, both locally and globally.

By implementing research-based programs, we can achieve measurable, sustainable improvements in the lives of those in need. Through constant and rigorous research, coupled with close interaction with those we serve, we can ensure that we deliver the most beneficial services. Our core principles are humanity, inclusivity, impartiality, independence, and voluntary service. We value sustainability, transparency, innovation, and partnership. With the guidance of the United Nations Sustainable Development Goals, Embrace Relief hopes to provide much-needed humanitarian and crisis assistance to communities to reduce global poverty.

Since 2008, we have:

-  Distributed food packages and hot meals to more than **4.8 million people** worldwide
-  Built water wells providing clean drinking water to more than **900,000 people** in Africa
-  Provided more than **40,000 cataract surgeries** in Mali
-  Aided more than **890,000 victims of natural disasters**
